## PROFILE

I'm a first year data analytics student going into database administration in my second year. I have a passion for teaching others and making the world a better place, which I hope to do by providing insightful statistical analysis and designing secure databases.

## SKILLS

- SQL
- Access
- Excel, Airtable
- HTML/CSS, Javascript
- Python, Java
- R Studio/ R
- Linux
- Tableau

## EXPERIENCE

### VOLUNTEER

NSCC IT Job Fair 2023

2022-2023

- Created an access database linked to an excel spreadsheet for the WYC2023 Competition.
- Created an Excel spreadsheet to organize student's into groups for the WYC2023 Competition.
- Created a linked Microsoft Forms registration form on the IT Job Fair Website for students to register for the WYC2023 competition.

### TEAM LEAD

NSCC IT Job Fair 2024

2023-2024

- Building an outlook group and calendar to keep members organized and ensure tasks are completed on time.
- Utilizing Microsoft tools such as teams, SharePoint, excel, Microsoft Forms etc. to distribute tasks/work amongst members.

### LIVE CAPTIONER

Ai-Media

2020-present

- Working with Microsoft's Dragon software to provide real-time captions for clients.
- Used Airtable to assist in grading and organizing the captioning assessments of potential hires.
- Maintaining a work-from-home workplace.

## EDUCATION

### DIPLOMA - DATA ANALYTICS/DATABASE ADMINISTRATION

NSCC Institute of Technology
